

Incinerator

Herrick Archives Building 043

A. IDENTIFICATION & LOCATION

1. Name

1.1 Never officially named by Board of Trustees action.

1.2 Alternate names noted:

None noted.

See Addendum No. 3

2. Location

2.1 Located at 801 Hess Road. See map below.

2.2 For greater detail, see Sheet 96 in the book of campus maps in the University Archives.

For identification of other buildings shown, see Appendix A.

3. General Description

3.1 Type of construction:

Reinforced concrete frame and exterior.

3.2 No. of stories:

Three levels: charging, operating, and ash.

3.3 Increments of construction:

No additions.

3.4 Present area of building as shown in inventory records of Division of Campus Planning:

2, 551 sq. ft. gross

3.5 Volume of building:

28,600 cubic feet (PP).

See Addendum No. 4

B. PLANNING & CONSTRUCTION

1. On September 7, 1948 the Board of Trustees approved the plans and related documents prepared by Wyatt, Bird and Associates and authorized the solicitation of bids by contractors.

2. Bids were received on November 3, 1948 (A).

3. On December 13, 1948 the Board of Trustees awarded contracts to the following contractors:

General: Haig M. Boyajohn & Associates

Electrical: Fayette Electric Co.

Plumbing: Lieb-Jackson Co.

Incinerator: Nichols Engineering & Research Corp.

Ash handling: Capital Elevator & Manufacturing Co.

C. COST

Carried at \$99,652.17 (B). This figure apparently includes \$2,565.82, which first appeared in 1920-21. This latter figure may be for one of the earlier incinerators noted below.

D. PHOTOGRAPHS

E. MISCELLANEOUS

Prior to the construction of this building there was a small incinerator in the room immediately south of and adjacent to the north stack in the McCracken Power Plant (069) and also one in Hamilton Hall (038). Most refuse, however, was dumped either in the gulley on the site of the Arena (076) or in the area between the Fawcett Center (284) and the Artillery Stable (012).

ADDENDUM NO. 1

Change in Use

On August 28, 1972 a crane was observed at this building. Walter Hartman reported that the incinerator had been removed and that the building was being remodeled for use for storage.

ADDENDUM NO. 2

The Lantern on May 2, 1978 announced that a new trash compactor was under construction. This is an outdoor installation at the northwest corner of the old incinerator (Building 043). It involves no new enclosed space.
